## JUNIOR CLASS OFFICERS

Fellow Classmates,

I would like to take this opportunity to express my appreciation for a job well done by this class this year. Without your help, I'm sure it would have been a failure.

I'm sure I speak for Jerry, Dwight and Ronald as well as for myself in saying that if the year ahead prevails in the same manner, we will by far mold out the best senior class yet. Have a nice summer and I will see you all next year.

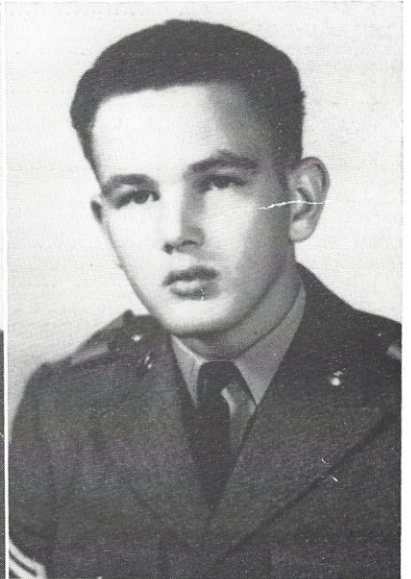

Sincerely,  
James A. (Buggy) Newton,  
President.
