

DEDICATED TO . . .

Mrs. Harold Rice

The **Rebel** Staff takes great pride in presenting the 1965 **Rebel** to Mrs. Harold Rice. Mrs. Rice, in her capacity as librarian, comes in contact with most of the cadets during the school year.

She keeps us up to date with the newest

in literature and news. Although often taken for granted, she is the life saver when that book report deadline nears. Without her help and counsel cadet life would be much harder. We take this opportunity to acknowledge our heartwarm thanks to Mrs. Rice
