

FOREWORD

The presentation of this 1966 REBEL marks the end of another school year. It was a long bumpy road at first, but with the help and cooperation of everyone it was possible to turn it into a smooth and short one. For seventy-five of us it has been too short and now we are wondering what is in the future for us.

We have done many things and have seen many changes but they are all memories now. But there is one thing that will be with us for a long time, and that is the education that we have received from our teachers through the past years and to whom we are greatly thankful to.

As you look through this book it will bring back many memories of happiness and some of sadness.

The 1966 REBEL will always keep these memories close to our hearts as the years pass by.
