FOREWORD

The presentation of this 1966 REBEL marks the end of another school year. It was a long bumpy road at first, but with the help and cooperation of everyone it was possible to turn it into a smooth and short one. For seventy-five of us it has been too short and now we are wondering what is in the future for us.

We have done many things and have seen many changes but they are all memories now. But there is one thing that will be with us for a long time, and that is the education that we have received from our teachers through the past years and to whom we are greatly thankful to.

As you look through this book it will bring back many memories of happiness and some of sadness.

The 1966 REBEL will always keep these memories close to our hearts as the years pass by.

Captain Rock Norman

The staff of the 1966 REBEL takes renewed pride in presenting this year's publication to Captain A. W. Norman. Known to cadets and friends alike as "Rock", Captain Norman in his role of teacher, coach, and perhaps most important: friend, has come into contact with a large majority of the cadets in his eight years as a "Faculty Officer".

With forty-seven years of coaching and teaching experience behind him, we can readily explain where Captain Norman gets his patience and understanding. It is with respect and a deep sense of gratitude that we salute you: CAPTAIN "ROCK" NORMAN.

COLOR GUARD

PRESIDENT

Colonel James F. Risher

Colonel Risher was born in Hampton County, South Carolina. Upon graduation from The Citadel he had to choose between a military career and one of teaching. Selecting the latter, he taught in Colleton County and for two years was the superintendent of Ehrhardt High School. He began teaching at Carlisle in 1924, and four years later was made headmaster. In 1939 he bought Carlisle, which was under a Methodist Conference jurisdiction and in 1959 he purchased Camden, Carlisle's biggest rival. He has held many posts of responsibility and should be "Who's Who" in anybody's book.

HEADMASTER

William R. Risher

Colonel Risher was born in Ehrhardt, South Carolina, in 1927, attended grade school in Bamberg, and graduated from Carlisle in 1944. He went to college at The Citadel, and upon graduation in 1947 attended the University of North Carolina for graduate work. He began teaching at Carlisle in 1948, and became headmaster in 1958. Col. Risher is very active in all community activities, and we are very privileged to have such a man as our headmaster.

COMMANDANT OF CADETS

Colonel James A. Grimes

Lt. Col. Grimes was born here in Bamberg and graduated from Bamberg High School. After graduating from Wofford College he was commissioned a 2nd Lt. in the Army Reserve. During the Second World War he was a Capt. in the South Carolina State Guard. Lt. Col. Grimes has been at Carlisle for 30 years. He teaches American History and serves as Commandant.

PROFESSOR OF MILITARY SCIENCE

Colonel Waddy Thompson

Lt. Col. Thompson was born in Chattanooga, Tennessee. He attended high school at Notre Dame High School. Upon graduation from The Citadel in 1942, he became a member of the Carlisle faculty. Lt. Col. Thompson has served as P.M.S. for the last 24 years. He instructs Military Classes, and is in charge of all Government property and Drill. Lt. Col. Thompson was the instigator in the building of the commissioned officers house, and advises them in all projects.

In Memoriam

Capt. George F. Garrison

Capt. George F. Garrison, teacher at Carlisle Military School, died on May 22, 1965, of injuries sustained in an automobile accident.

He was a son of J. Carlton and Alice McClellan Garrison of Anderson, S. C. The entire Corps of Cadets share in their grief.

A 1961 graduate of The Citadel, Capt. Garrison made quite an impression as an athlete, being named All-American and All-Conference as a football player.

His loss had a profound effect on the Cadet Corps and he will be missed by all who knew him.

SENIOR CLASS OFFICERS

FELLOW CLASSMATES

The time has drawn near for us to bid farewell to this school. The years we have been here have really and truly gone by too fast. We have gained many friends and have met many challenges, but there are still more to come as we leave this institution. If we use the knowledge we have gained correctly, these new feats will

fall into place easier than you had hoped. As we go our separate ways we will have many memories to take with us of the years we have spent together. Though most of us may never see each other again, I would like to wish you all the best of luck.

Sincerely,
JERRY COUNIHAN.

Dedicated To The Memory Of

Cadet Lt. Henry Harley

This year the REBEL is honored but saddened to place in our annual this dedication in memory of Henry Harley, son of Mr. and Mrs. Rupel Harley of Greenwood, South Carolina. Henry passed away this year on December 12, 1965.

Henry was well liked and respected by the entire student body. We at Carlisle are proud to have known and have had a man of his caliber in our school and we are sure that his memory will remain always with Carlisle.

Left to Right: Ronald Jacobs, James Newton, Dwight Tankersley, Tommy Sumner, Terry Patterson.

FIVE YEAR MEN

The Five-Year-Men, which consist of those entering Carlisle in the eighth Grade, and following on through until graduation, are only five in number. Their first year at Carlisle was in the year 1961. They started out with 29 classmates, who through the years fell out of school. The fifth yearmen have seen many changes; any-

where from new buildings to changes in school regulations.

Upon graduation these boys probably feel more sentiment and regrets in leaving than any of the other cadets. They have met and made more personal friends through the years, than most people achieve in a lifetime.

SENIORS PROPHECY

Two score and four years ago our contemporaries brought forth upon this campus a new class, conceived in the memory of hallowed traditions and dedicated to the ideal that we should all reunite once again in the year 1999.

We, my counterpart, Jesse Griffin, and myself, Steve Stevens, being the first to arrive on campus, notice many eye-catching and wondrous changes in our dear old alma mater. In the midst of where our beloved Guilds Hall once stood we behold an untramillion dollar dormitory with a dazzling fountain gushing forth crystal clear water reflecting the light of the sun like jeweled prism in the foreground. About a hundred yards to our left we gape in awe as we see three enormous dormitories enclosing three huge quadrangles constructed of alternate blocks of red and white fabricated plastic. On the other side of the campus, we see the new Mess Hall erected in 1995 which is capable of seating the entire Regiment at once. The Mess Hall now serves its meals based on a famous Italian cuisine.

As we walk to the recently built auditorium, which also serves as a theater, gym and ballroom, and enter the alumni conference room, built exclusively for returning alumni, we meet four of our old classmates, Robbie Ennis, Randy Palmer, Ronald Joy, and Nick Remedio. Robbie and Randy are corporation psychologists for DuPont Industries, while Ronald and Nick are the proud owners of the Bamberg Textiles Mill. Standing at the door we greet Frank Pike, emcee for the television program, "To Tell the Truth", and Ronald Jacobs, test driver for John Deere Tractor and Farm Machine Corp. Strolling out of the auditorium across the campus we bump into Jimmy Seignious and Zeke Raines. Jimmy runs a shrimp boat out of Charleston Harbor and Zeke is a Midas Muffler man. Suddenly a siren is heard on campus and all talk ceases. Jerry Counihan, Governor of South Carolina, drives up escorted by Eddie Schott, Chief M.P. of the South Carolina National Guard.

Following Jerry in a two ton super-structured five-axle tractor-trailer truck are Dwight Tankersley, Bradley Huntley, and Ruby Williamson, who are appearing in a trapeze act in a well known European Circus. They call themselves the Daring Metrecl Brothers. After greeting these new arrivals to the reunion we are saddened to hear of the fate of several of our former classmates who will not be able to attend the reunion. It seems that Tom Petrea and Jack Quinn, America's answer to James Bond, were killed trying to find out who the First Section Latrine Phantom was. We were also able to learn something of the remaining nonattendants. Mike Byrum and Weasel Jackson are still recovering from the effects of drinking their own Stumphole liquor. Danny O'Shea is still defrosting after his futile attempt to surf in the Artic Ocean. Roscoe Riley's ear infection spread and engulfed his head, while DD Jones stepped in a mole hole and hasn't been seen since.

After returning to the auditorium we find Tommy Sumner and Parker Orr sitting around arguing about who had the most pull in the office back in "66". Tommy is presently a champion weight lifter for Vic Tiny Gyms, while Parker prints designs on Wipe-O toilet paper. At this point Learned Hoffman and Bill Brown enter and we are glad to hear of their successes since leaving Carlisle. Brown is head disc-jockey for WWBD and is better known to all his fans in and around the Low Country as "Boppin Bill". Learned and his wife, the former Danelle Cope-land, run a Lonely Hearts Club for love-lorn Carlisle boys.

Departing our present company we move on to the next table where we encounter Ray Smith, Rocky Russell, and Ding Bell. Ray is a coal miner in the Union of South Africa. Rocky is a parachute packer, and Ding is the lazy one of our class spending all his time lying in the shade reading Idle Hour Books written in Old English.

Old grads are still drifting in. Among them are Raul Pacheco and Bill Peek. Raul is a copy boy for the *Havana Herald*, and Bill is the chief veterinarian for the new Bamberg Mercy Animal Clinic. Just arriving in his 409 high-performance wide-track street sweeper is Jerry Stansell. Jerry is presently a Staff Sergeant in the Union Sanitation Corps. Back in the Alumni Room we find sitting in a secluded corner Ted Rea, Dale Mallory, and Jimmy Summerlin. Dale is a recently begotton millionaire who achieved his success by weaving and selling genuine Seminole Indian blankets from his road-side stand in the Everglades. Ted is the infamous left-wing radical instigator who is editor-in-chief of T.R.A.S.H. Magazine. Jinmy runs a kindergarten for preschool aged children the name of which is the "Diaper Nursery."

At this point in the festivities Jerry announces that we are to go over to the Mess Hall and eat a special reminescent lunch of beans and weenies with rice prepared by our former classmate

Zorba DeRosa, who is now a Greek Mess Officer for the Hungarian Peoples Army. Walking across to the Mess Hall who should we see but John Brammer, James Chapman, and John Hager playing "army" on front campus. Several of our old classmates were already in the Mess Hall when we arrived. Being anxious to talk with our old buddies, we started making the rounds at once. First we ran across Terry Patterson, Lawrence Joye, and Larry Helms. Terry is emcee for the prize-winning "Trooper Terry Kiddee Show", while Lawrence is a research scientist for the Clearsil Face Correction Clinic, and Larry is a door to door aspirin salesman. Seated at the next table we find John Parsons, Monty Miller, and David Lee. John is a shoe-shine boy working on Spencer Street in Jacksonville, Florida, specializing in military shoe shines. Monty is a Northwest Mounted Policeman and David is a department store Santa Claus working for Edward's Five & Dime in Bamberg. Entering the door about this time are Tommy Cowan and Trent Canady, both of whom are professional golf caddies.

Moving on down the line we see Van Lewis, Robert and Gary Wright. Robert is All Pro Center for the Green Bay Packers. Gary is Academic Dean at Harvard University. Van is a sewage inspector for the National Department for Clean Water. Just before dinner is started, the remaining members of our class come in except for Lewis Givens, who lost his way somewhere between Bamberg and Norway and ended up in Nome, Alaska, where we understand he is defrosting some of those frigid Eskimo girls. Among our classmates coming in at this time are Jimmy Stewart and Steve Duncan. We learn from Jimmy that he and Steve are lab technicians for Ban Deodorant Company. Immediately behind them are Billy Thorton and Rick Yowell who are studying to be light bulb repairmen after their recent failures as used toothpaste tube salesmen. Following them are Jimmy Grantham, Joe Powell, and Don Atkinson. Jimmy is a bartender for a big name night spot in Chicago. One of his more famous drinks is called in honor of all reduced Carlisle cadets, a Busted Fizz. Joe engages in manufacturing and selling uniforms for the G.I. Joe series. Don is a chicken farmer who farms a farm down thar around Hampton, South Carolina.

Sitting with us during the meal are "Buggy" Newton, Bobby Gray, and Will Hauser. Buggy is presently married to the former Miss Judy Terry of Bamberg and is employed as a soda jerk at Padgett's Pharmacy. Bobby is a window washer for the Empire State Building in New York, and Will is an art photographer for a well-known bachelor magazine.

Directly across from us at a window side table are Bill Yates and his wife, Judy Russell, along with Rod Peterson and his spouse. Bill is a popular country and western folk music singer, and Rod is Students Affairs Director for S.W.I.N.E., a radical non-profit terror organization.

Just making it in time for the after dinner speech and cocktails are Willie Williams, Rooster Peat, and Jeff Kennedy. Willie is an eye, ear, and throat specialist who confesses his favorite is ears. Rooster is a brewery manager for Old Crow Distilleries, while Jeff is the man behind the mask in the ever thrilling and exciting adventures of BATMAN. Also coming in about this time are Billy Hammond, Moose Collins, and Richard Gupton all of whom work in a side show in the Orangeburg County Fair. Richard is the elongated man of the fair and specializes in tying himself in twist-around square knots, Moose is the peanut and popcorn man, and Billy runs the Grab-bag stand.

After cocktails, announcements are made and we are glad to announce that Bobby Reid has won the top construction award of the country for using bulldozers in underwater construction jobs. Also, we congratulate John Harvey and Calvin Seckinger who have achieved great fame as dancers in the Russian Ballet for Active Spastics.

Some more outstanding personalities in our midst are Roy Clarke and David Clark. Roy has succeeded the late Major Carson Sturgeon as the Brilliant head of the Carlisle English Department, while David holds a prominent position as conductor for the Carlisle Philharmonic Orchestra.

As the reunion comes to an end and we are all bidding final farewells who should enter but Richard Holden. After talking with Richard, we find that his car's radiator hose broke just out of Allendale and prevented him from arriving on time.

These preceding passages shall all come to pass so sayeth the prophets.

THE REBEL

This year's REBEL Staff would like to express its deepest appreciation for a year of the finest cooperation and the hardest work it has had. To the Senior class we would first like to offer our congratulations and that this year's book will bring you many happy memories.

It has been a good year, full of surprises, sadness, hopeful wishing, but most of all it has been a year full of memories, some of which we have summerized in this one book. Good luck and the best of wishes in the future.

The Library Staff has done a fine job this year, along with the help of Mrs. Rice as their advisor. We should all give more thanks and appreciation to this club. TRAINING CADRE

At the end of every school year a specially selected group of under-classmen are picked to return early the following year for the purpose of instructing the new boys in the basic fundamentals of drill, military courtesy and discipline. Although bewildered and homesick the rats this

year quickly responded to the instruction given by the cadre and as a whole were properly prepared for life in companys.

We would like this opportunity to congratulate the men of this year's Training Cadre on a job well done.

There Will Always Be Someone Taking Your Measure!

Some measures are taken with a tape but the more important measures of life are taken by the people who size us up, whether it be a sweetheart, a classmate, a son or daughter, or a prospective employer. There is always some keen eye, whether we know it or not, scrutinizing the dimensions not only of our physiques but of our minds, abilities, and characters.

Your training at Carlisle Military School has been designed to improve the dimensions of both your mind and character so that when you graduate it can be said that here stands a Cadet foursquare to the world, ready and eager to shoulder the responsibilities which his particular talents and abilities qualify him to assume.

We measure Cadets for uniforms. Our customers measure us in their appraisal of our ability to execute a uniform contract satisfactorily. It will be a never-ending effort on our part to keep our measurements good in the eyes of Carlisle Military School.

We salute the Graduating Class and wish you all Godspeed in your chosen field of endeavor.
