

DEDICATED TO . . .

Captain Fred Hattrich

The staff of the 1967 REBEL takes renewed pride in presenting the year's publication to Captain Fred Hattrich. Known to cadets and friends alike as "Coach," Captain Hattrich in his role of teacher, head coach, and perhaps most important, a good friend, has come into contact with a large majority of the cadets in his four years as a "Faculty Officer."

With his coaching and teaching experience behind him, we can readily explain where Captain Hattrich gets his patience and understanding with the Corp of Cadets. It is with great respect and a deep sense of gratitude that we salute you: **CAPTAIN FRED HATTRICH.**
