These seven boys are confronted with the hard task of trying and prescribing punishment for major infractions of school rules. It is not a very easy task, in that punishing someone never is.

The Honor Council this year kept up with the long established tradition of honesty and fairness. We hope that those who follow these will keep up its very high standards.

Seated, Left to Right: Capt. Billy McCue, Col. Rod Parker, Capt. Charlie Smith, Capt. Joe Hinely, Capt. John Seals, Capt. Charlie Bowers, Capt. James Schofield.
