

# CROSS SABRE CLUB

LT. COL. ROD PARKER  
*President-Chairman*

MRS. ANNIE LOU PARKER  
*Sponsor*

LT. COL. WADDY THOMPSON  
*Advisor*

Since the Cross Sabre Club's beginning a good many years ago, it has progressed very rapidly. Under the guidance of Col. Waddy Thompson, the club has built, from scratch, a very elaborate club house and has made a name for itself, which is well known around campus.

The Club's income comes mainly from the sale of Pepsi-Colas. They have machines in various positions throughout the school. They use the money from these sales to purchase furniture, give steak suppers and most of all for their annual trip to some location of great interest, such as National League Football games.

We wish to thank Col. Thompson for his untiring efforts put forth to make the Cross Sabre Club a better place for its members as the years go by.

On behalf of the Cross Sabre Club, God bless you.

Sincerely,  
ROD PARKER,  
*President.*
