

Photo Club

I would like to take this opportunity to compliment and congratulate the members of the Photo Club on a job well done this year, and for the excellent choice of photographs taken and submitted to the REBEL and BUGLE.

Though small in number, the Photo Club has done an outstanding job in seeing that the right pictures were always in the right hands, at (more or less) the right times, in all the right places — et cetera.

We have attempted to (always very informally) employ art and photography to capture *real* people. We hope our efforts have at least approximated our expectations.

Sincerely,
Russ Bridgers
