

## *In Memoriam*

# *Cadet Frazier T. Woolard, III*

The sudden passing away of Cadet Frazier Woolard last Thanksgiving was to everyone a stunning tragedy.

Frazier, a sub-freshman, enrolled at Carlisle in September of 1970, and was a member of Company A. In the brief time that his teachers and friends knew him, he proved to be a fine and promising young man. We are sure that he will remain among Carlisle's long-remembered.
