CROSS SABRE CLUB

The Cross Sabre Club consists of the school's most select group of young men — its Commissioned Officers. The ultimate dream and ambition of every cadet at Carlisle is one day to become one of these men. The goal is well worth every effort required to achieve it.

The Officers' clubhouse is equipped with complete kitchen facilities, air-conditioning, heat, stereo, phone, color television, as well as a barbecue pit and picnic area, conveniently located right outside the building.

It is a small wonder that membership into this organization is such a coveted goal.
