

HONOR COUNCIL

Advisor: Cpt. Phillip Sullins. Seated: Mairs, Freeman, Mixon, Rivers, Smith, Topps, Yarborough.

It gives the Rebel Staff great pride in honoring this group of young men. These men are the members of the judicial administration here at Carlisle. Under the supervision of Commander Sullins, these young men hear cases of military misconduct and unbecoming conduct of the cadets.

This year, we have had to call on this group only twice, and both times, these men have shown great amounts of concern for the upholding of rules. Thank you, men.
