

Bus Drivers

(l-r) Haymans, Griswold, Vidaurre, Driggers, Forio (Head Driver), SFC Hill (Advisor), Driver (Asst. Head Driver), Patterson.

A vital necessity to the cadet corps is transportation. Under the fine coordinating abilities of SFC Howard Hill, these young men drive school vehicles to the various places the cadets need to go. From dental appointments in Orangeburg, to Drill Competition in far away cities, these drivers sacrifice their free time to transport the cadets to their activities. Thank you on behalf of the Rebel for your meritorious service.
