

REBEL STAFF DEDICATION

1975

Colonel William Risher

The 1975 REBEL proudly dedicates this year's annual to Colonel William R. Risher.

Being the Headmaster of Carlisle Military School is no party, to say the least. The REBEL recognizes this fact while paying tribute to a man for his determination and efforts to make Carlisle what we think, is the best military school around.

Colonel Risher: A dedicated man; a man of understanding; a man of patience; of unceasing concern for the welfare of the cadets and faculty.

Constantly visited by cadets at his home by cadets with problems; it's amazing that he has always shown the interest in trying to solve cadets' personal problems, when at all possible. To us, the Corps of Cadets, that is a lot to ask from any man.

Colonel William Risher, we thank you for your many brilliant qualities.
