

Cross Saber Club

The Cross-Sabre Club was erected January of 1962, in memory of a Carlisle graduate that was killed in the Korean War. Also, as part of his memorial, a cadet is given a medal each year for being the most improved cadet. We have 14 Commissioned Officers at Carlisle this year, and they are all part of a group that handles profits on the Carlisle Drink Machines for the benefit of the Commission Officers Club-house.
