No where to hide. Senior Eric Jordan, doing his job, makes it very difficult for the wildcats to score.

Making it count. Number 22 makes a basket towards victory.

Stopped in his tracks. Senior Antonio Drain, giving all he has got to reach the goal, blocks the wildcats. Immediately following his success, he dunked the ball.

Guard Cats. The cougars defense players guard the hoop. The opponents that game surely kept them on their toes, but as usual, the cougars played their best and kept the crowd roaring.

Bringing the cats together. Mr. George brings his team in to regroup at the West Ashley game. The guys never totally regained their strength that game, but made sure it was present at the James Island away game.
