## To Act or not to Act

Drama students strived to express the themes of life through acting. "The best thing about drama was being able to step out of the box and put yourself on the line," sophomore **Lucus Zaker** said.

The drama team and the drama club compiled the drama department. The Drama team competed in statewide acting and speaking competitions. The drama club gathered to rehearse after school when practice was needed for the fall play. The students performed 'Peter Dee's...and...stuff...' this past year. The cast included **Latasha Pencil**, **Dustin Deloach**, **Joshua Buton**, **Misty Hiers**, **Lucus Zaker**, **Kristen Donhoo**, **Jasmine Morrison**, and **Ellis Upchurch**. Mrs Gant and Mrs Crosby supervised the Drama department.

The drama team raised money to help with the fall play and they attended the Newberry competition in early February. "In order to be the best in drama, you can't be shy," sophomore **Kristin Donhoo** said. Responsibility is a huge part in drama, and without this dedication a good performance is hard to come by.

- Sarah Rivers

"I am in the fall play because I am very dramatic and I love to act. Maybe I'll be an actress one day with the help of Mrs. Crosby and Mrs. Gantt."

**Latasha Pencil**  
11th

"The play was a very good learning experience for me. It taught me that hard work pays off in the long run."

**Lucus Zaker**, 10th

I am into drama because at first we didn't have an active program, and we definitely needed one. I chose last year's play because it's been raved about for years. Drama is important to me and the students who take part in it. It gives them the chance to express themselves to a group of people.

-Mrs. C. Gantt

I feel that it's an important part of the whole high school. I think that students who join the fall play learn a lot about themselves and experience sharing the knowledge that they learn. This also helps the students to overcome some of their fears, and become a diverse group of students.

-Mrs. Crosby
