

"I'm the point guard so it's my job to find an open player and pass the ball," junior **Kevin Blakeney** said. Kevin became well known for his good sportsmanship both on and off the court.

Jumping up over his opponent, sophomore **Timmy Kelly** tries to block the ball before the other team scores. "We were in the lead by a few points and I didn't want the other team to score," he said. Timmy really enjoyed being on varsity so he could show his skills.

Sophomore **Joe Council** couldn't find anyone who was open, so he drove and took the shot himself. Joe was known for having the biggest feet on the team with a size of 18. "I feel privileged to play on the team and follow in the footsteps of my father," Joe said.

Taking the ball all the way for a few points, sophomore **Eric Salley** wasted no time puttin' the ball in. "Even though we didn't have a good season I still think we played well as a team," Eric said.

"I felt confident about the shot, so I set up for it and took it."
