BEST ACTOR/ACTRESS

Joshua Wightman Bunton - University of South Carolina of Columbia, Secondary Education
I joined the drama club when someone told me I was a good actor. I asked them how they knew and they said, "I have seen the teacher ask for your homework before." I plan to look into acting.

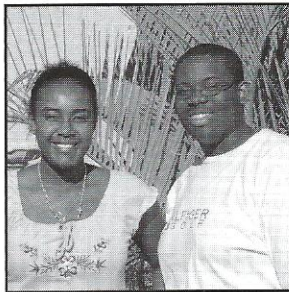

Mamie Catherine Foreman - University of South Carolina (Aiken), Nursing
I started acting when I was five in a school Christmas play. I really got into it when I moved to Walterboro and did some community plays with the Colleton County Arts Council.

BEST FASHION SENSE

Jared Lee Fraizer - Armstrong Atlantic University, Physical Therapy
My mother and father inspire me the most. They always told me to not let anything bring me down.

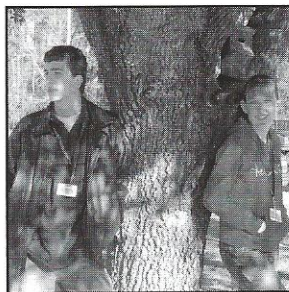

Dominique Latrell Edwards - University of South Carolina (Columbia or Spartanburg), Biology
Winning this allowed me to see that everyone actually paid attention to what I wear. I also see that I have style and I am very creative when it comes to fashion.

BEST MUSICIAN

Brandon J. Williams - Spartanburg Methodist College, Business
I don't usually win anything, but I'm happy to win something that I am good at. I am inspired mostly by my mom, grandmother, Aunt and church, who always wanted me to be something in life and go to college.

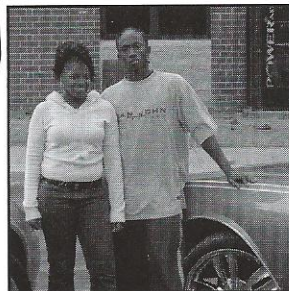

Courtney Williams - University of South Carolina (Aiken), Nursing
I think I am most musical, because I can and love to sing. I love many different types of music and I also can play the piano. When I am in a bad mood, music always makes me feel better.

TEACHER'S PET

Rachael McCall - University of South Carolina (Columbia), Biology Pre-Med
I was surprised, but I am honored to be someone who is respected by teachers. I always make an effort to be kind and respectful. It's nice to know that I am respected in return.

Jason Rogers - University of South Carolina
Your life is yours alone, rise up and live it.

BEST AUTOMOBILE

Curtis Hills - University of South Carolina (Columbia), Secondary Education
The reason why I think I have the best car is because I put a lot of time, effort, and money into my car in order for it to look good.

Melody Roberts - University of North Carolina (Chapel Hill), Pre-med
It shocked me when I found out that I won because I have a regular car, but I'm also happy at the same time. Being confident with myself and knowing I'm me inspires me the most.
