

Powder Puff

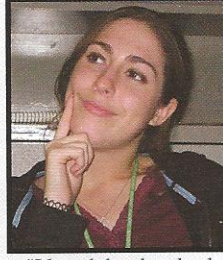

"We had fun at the powder puff game even though the juniors lost," Juniors Rachel Culpepper and Alex Marotto said.

"My favorite part was dressing up like a girl, because it's definitely something I don't usually do," Senior Tyler Ware said.

"If I could pick anyone to be on my team, it would be David Ortiz the Red Sox player, because I don't watch football," Junior Savannah Lane said.

"I loved the cheerleaders, the Cast and Reel and Brokeback Mountain dance were the best," Senior Rebecca Jacobs said.

The powder puff football game is always a fun place to be. Who wouldn't want to come around to watch the junior girls compete against the seniors? Both girls teams went out there looking to have fun, and maybe gain a little bit of bragging rights for their class. Though the senior girls took it by a long shot, the juniors gave it all they had.
