

## Dump It Up!

### Three Cheers!

Cheerleaders are the heart of the crowd. They also inspire the players to play better. Motivating the crowd is part of their job. Some of the cheerleaders got chosen by the Universal Cheer Association All Star Cheerleaders. These cheerleaders include Brittany Boyd, Tabitha Spahn, Prenita Hudson, Maggee Byrd, Liza Lucas, and Aaronyce Marcus. Without the cheerleaders, we wouldn't have as much spirit for our teams.

"Get tough defense, is my favorite cheer because the moves are sharp and difficult, which makes us look good," Junior Liza Lucas said.

"I enjoy cheerleading because all the relationships you develop. We are all like sisters," Junior Tabby Spawn said.

Maggie Bryd attempted to fix Ellis Upchurch's hair before the game.

"Cheerleading is really awesome. I love the girls I am cheering with. They are like family," Junior Tasiha Andrews said.

The varsity cheerleaders pause to take a picture before a home game.
