

Moving into Action

JV Football has a breakout year!!!

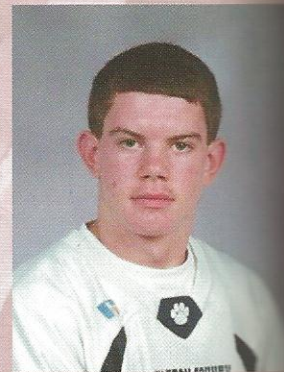

In the shadow of big brother varsity football, the JV football team still managed to shine like a newly cut diamond. The freshman and sophomore players proved that they could run with the big boys in the long and grueling summer practices. Despite the losses and set backs of the season, '05 will always be a year that they will remember.

Changes in the coaching staff along with new blood on the football team turned out to be a match made in football heaven. The optimistic attitudes along with amazing skill and talent are a sure sign of the great things to come from the extraordinary freshman and sophomore players.

"My best game was at Berkley when I threw a 150 yard pass for a touchdown," Freshman and quarterback Justin Guinn said.

Donte Drew recounted his best game with tremendous detail. "The game I will never forget is the Battery Creek game when I got 3 sacks. It was 4th quarter, 1 minute 20 seconds to go. I caught the fumble to give it back to get the game winning score."

Players like James Sherman, #20, rotated between Varsity and Junior Varsity but still shined on both teams. The player proved his worth when he broke 60 yards at the Hilton Head game. "That is one play I will never forget," the sophomore said.

Exceptional players like tight end Andrew Harvey- Jones came into the sport with a great attitude. "I tried out for the team because my family played football. I also like the idea of legalized fighting," the freshman said.
