

To Asha:
 Best Wishes in the future and
 remember to put God first in
 everything you do. Never give
 up in striving for your goal

Look at you now
 Smile baby girl,
 We are all so proud!
 A great heart and a
 Beautiful smile is all
 You need to get you by.
 Despite all the bad times,
 Remember all the good,
 All of these things are meant
 To be understood.
 We couldn't be happier,
 Just look at our girl,
 Our little Heather Feather
 You are our world!

We Love you Heather!
