

1. Members of the drill teams and also the color guard participated in the Yemassee Shrimp Festival. "Being in parade is a great way for us to show off for the community, and is also good practice for us before our competitions," senior Marion Murdaugh said.

2. Cadets went on a trip to Florida. "My favorite part of the trip was going on the boat ride and getting to see new things," freshman Janique Sanders said.

3. The color guard practiced very hard this year. "Being in color guard was a lot of practice, but we did a really good job, and got to march in parades, as well as many other events," sophomore Timothy O'Connor said.

5. Cadets were all smiles as the jet was about to take off. "It was an overall great experience, the best part was when I got to sit in the pilot's chair, but the worst thing was the cockpit was so small you could barely move," sophomore Henry Washington said.

6. NJROTC cadets got an opportunity of a life time when they were allowed to fly on a C-17 jet. "When I was sitting in the pilot's seat I felt like I was in control and had a lot of power," freshman Samuel Ford said.

Colleton County drill team students placed third in the Strom Thurman Drill Meet. This photo was taken after athletics. "My favorite part is the athletics and my least favorite part is the waking up early," senior Justin Weber said.

Lucky members from N.J.R.O.T.C. got aboard a C-17 plane. Their pilot, Don Garbade, was a former Colleton County N.J.R.O.T.C. cadet. "The trip was at Charleston Air Force Base. We were allowed to get on the C-17 and they showed what all you can do on it. It was educational and also a lot of fun," senior Elizabeth McMillan said.
