

1. Freshman Hillary Clegg rushed to get her class work done before the bell rang indicating the end of class. "I want to pursue a career in health science because I enjoy helping people who need me the most," Hillary said.

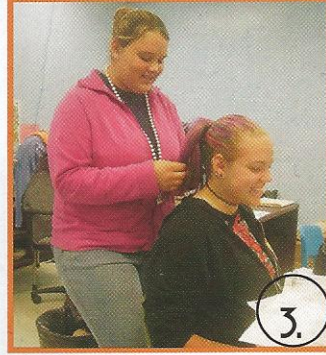

2. "We like working here because we get to meet lots of new people and it is just something to do with our spare time," seniors Brittany Thompson and Brittany Custace said as they rang up Reeses Cups for a Bi-Lo customer.

3. Sophomore Brittany Drabham styled a friend's hair during her global studies class with Mrs. Frank. "I want to go to cosmetology school because I like to be creative with hair and makeup," Brittany said.

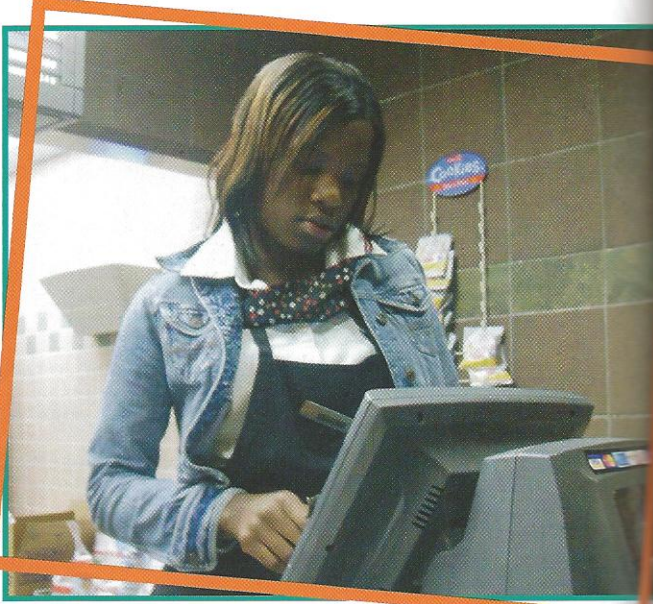

4. Freshman Robert Glover worked on a global studies assignment during his third period class. "I want to attempt to become an engineer because it is something I really enjoy doing, and I think I would have a lot of fun doing it," Robert said.

5. Freshman Andrew Dradley worked hard on a project for global studies class. "I want to go to culinary arts school to be a chef because I like preparing food for others to make them happy," Andrew said.

6. Freshman Caroline Gouge thought extremely hard about the upcoming events of her next class. "I think I would really like to be a psychiatrist because I really enjoy helping people and listening to their problems and making solutions," Caroline said.

"I like working because it teaches me self independence, and at the library there isn't any grease and dirt to deal with," senior Richard Saddle said.

"I like working because I like being self-dependent. McDonalds gives me the opportunity to meet new people and I like making friends with the customers," junior Shyda Council said.
