Make the Joneses keep up with you.

You've reached a point where what you look for in a new home is dictated by what you *want* rather than what you *need*. And you want a mortgage program that makes purchasing your home as easy as living in it.

Our lenders have both the authority to lend, and access to hundreds of potential loan programs, so decisions are local, fast, and customized.

You've worked hard for this home. Now let our mortgages work for you. Come see why life's better with SCBT.
