Holt dances  
the prom  
balloon hat  
head. This  
Clay's last  
celebrating prom  
so he made the best of  
it.

What is prom? Some people may say it is a waste of time and then many others will say that it is the best night of your high school years. Seniors find this important night as a way to celebrate their last year of high school. It is the juniors responsibility to decorate and put on the prom for the seniors. Juniors are also invited to the prom to celebrate the night that they helped create. Freshman and sophomores can also come to prom if they are invited by a junior or a senior. The Prom of 2010 was called Midnight Masquerade. The prom committee worked hard to put this special night together for the seniors. With gold, purple, and green decorations, the gym did not look like our gym. It really felt like a masquerade party. All in all, the Prom of 2010 was a hit, and it was a great way for the seniors of 2010 to celebrate one of their final nights at Colleton County High School!

going

CCHS students celebrate Prom 2010 in the gym. From this picture it looks like they are having a great time celebrating it together.
