With skill, cheerleaders Ashley Herndon, Rebecca Seigler, Kaylin Simmons, Haley Rowe, and Allison Sanders lift Morgan Seabrook and Ashby Kane above their heads.

Following Spirit Week, the long awaited game begins. The band awakens the crowd with their loud performance, the chorus beautifully sings the alma mater with NJROTC cadets proudly holding the flags, and finally the players spread out on the field. They wait for the chance to make the winning play. In the stands, the roaring crowd cheers for their team to triumph over the competition. Homecoming brings our school together in spirit, excitement, and cougar pride.
