Setega Aiken

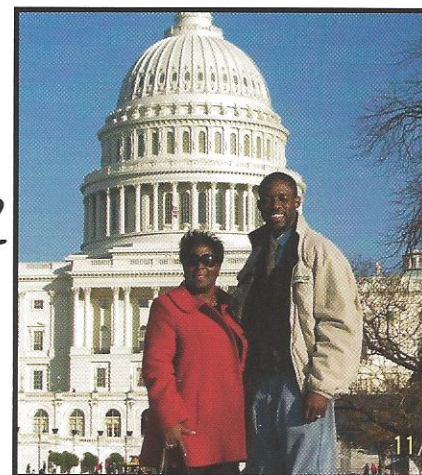

Lorenzo Shider - JAG President

"JAG has helped me in many ways both behavior wise, and other ways. Not all bad people are in JAG. If you have behavior problems, you're in JAG, grade problems, you're in JAG. It helps students overall to be the best they can be and help improve our career."

The Colleton County High School JAG members attended The National Job For America's Graduates conference in Washington DC.

In to the future

(Above) JAG mentors, Mrs. Jamison and Mr. Birch, at the Nation's Capital in Washington, D.C.

(Left) JAG members participated in putting together flowers for a very special someone for Valentine's Day.
