"Although these young men didn't get to experience (a win) on the scoreboard, they showed that they were winners within. Each week they gave their best effort and never gave up. Such qualities are the mark of a true winner."

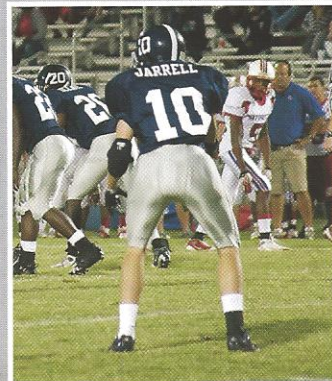

Coach Riley

The Cougars were ready to get into action as they began their new season. As they prepared for the first game, they hoped to be undefeated. The crowd roared and the cheerleaders cheered and rooted for the Cougars as they came out from the field house. They could feel the thrill of victory all over them. They ran onto the field prepared for a battle. With victory in their eyes, they prepared for the first play. The season started with heads held high and good attitudes that would help them grow as a team.
