

..... to win it!

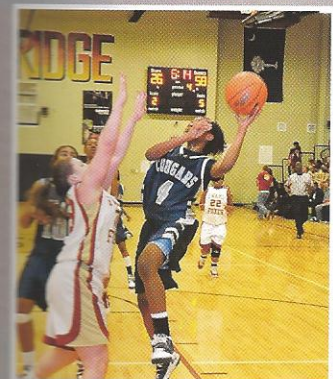

## Girls Varsity Basketball

"The girls have steadily been improving and have a good chance to win the region championship again if we come together and battle as a team every night. We are blessed with a lot of talent, but talent doesn't beat hard work and effort"

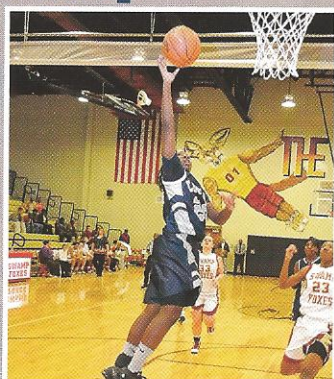

Coach L

## Leadership

Christhea Campbell, 4

"When I step off the court,  
I leave it all on the courts.  
No regrets."

Briana Chisolm, 20

"I play hard and go hard."

SWISH!!! When you step into the gym to watch the Lady Cougars, this is the sound you would repeatedly hear. The girls always brought their best to every game of the season. With the desire to win, the Lady Cougars went out onto the court and put their game faces on. The chance to win it all gave them encouragement to go far and advance to being champions.
