

Memories *IN* Print

Capturing moments
each and every day.

The 2010-2011 Yearbook Staff has worked very hard and put a lot of effort into the creation of the CatTales yearbook. Through all of the hard work and dedication, the Yearbook staff came together as a team and family. Yearbook is more than just a class, it's a responsibility. Deadlines have to be met and all work has to be completed without any mistakes. Thankfully, we were guided by two great teachers, Mrs. Welch and Mrs. Cable, who are here to support us in any way possible. This yearbook takes a lot of patience and effort. It was definitely an experience and a lot of fun to be the creators of the book. Hopefully, "Into the Future and Out of the Past" will be a great success.
