Buzzing in to win!

Hearts pounding, palms sweating, thoughts rushing at 100 miles per hour. This is just a normal Academic Team competition. For years, the Colleton County Academic Team has done extraordinarily well, and this year was no exception. "We're a very small team this year, but we're doing remarkably well," Danielle Sexton said. Having come in third in the state for the Fall 2010 Knowledge Master Open, you can see what she means. "The returning members love being part of the Academic Team and the new members are getting used to it," says Jesse Sexton. With each new year comes new members and new challenges!
