

Everyone knows everyone in a small town, but do we really? We used the theory **Six Degrees of Seperation**, which states that any person on the planet can be connected to any other person on the planet through a chain of acquaintances, consisting of no more than 5 people. Try to see who you or your friends are connected to!

**Jessica Stanley**

who likes Clemson's football team along with ...

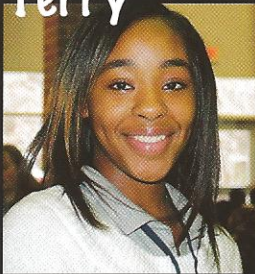

has a tattoo and so does...

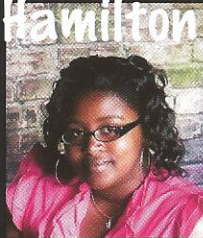

**Teonia Terry**
