

Raegan Ritter

To our sweet daughter, so beautiful and smart, we couldn't be more proud of the Godly young woman you've become. May your adventurous spirit and passion for all of God's creatures take you places you've always dreamed of. We pray that God will fill your heart with dreams along with the faith and courage to follow them.

We love you,
Mom, Dad & Jonab

Since day one you have been our pride and joy. You have made us laugh until we cried and even given us a few heart attacks on the way, but we are so proud of you and the young man that you have become!!

Love you bunches,
Momma & Daddy
