## Girls JV Softball

"Even though we've had some ups and down, the girls still kept their heads up and pull through it."

Coach Michelle Nay

## Leadership

Kasharia Givens, 15

"It's an opportunity to share laughs and humor with one another. Also, getting to meet new people is a pleasure. I always look forward to hearing Coach Adams' encouraging words and wisdom everyday."

Shantavia Holmes, 4

"I always try my best because I'm working hard to be the best I can be."

Determination and improvement are both qualities that our committed softball players have. Even though the team is young, they strive to turn their weaknesses into their strengths by stepping into the batter's box and battling between what they know, and how they've learned.
