GOAL! With constant dedication, our girl's soccer team goes all out to score the winning point. Practicing for hours at a time and kicking past the opposite team's goalie shows the dedication and admiration they have for their school. This game isn't for the timid, but instead it is for those who aren't afraid to get a little sweaty.

"We have a very talented group of girls this year. I really enjoy working with them and seeing the improvements made throughout the season."

Coach Lauren Townsend

## Leadership

Makalah Ramey, 17

"I love playing soccer because I enjoy being a leader. I love working hard to make my team and my school proud."

Martha Dodd, 15

"My inspiration for soccer comes from knowing the success of your team, their desire to put their heart and soul into the game, and the team's will to win."

Congratulations Hillary Clegg for earning soccer scholarships to USC Salkehatchie and Lancaster! Your years of hard work and dedication for soccer have paid off.
