Leadership

Donald Rizer

"We're not here to beat up on the balls, but we're here to practice and to make perfection."

Spencer Floyd

"Golf is a lot of fun. I enjoy being with friends, and I also enjoy the competition."

"Fore!" The season started with high hopes of pulling in a win for the Cougars. The boys were excited to get the ball rolling by practicing in the off season trying and improving their game. Every year, the boys try to get better than the year before. Judging from this year's group, it won't be hard to strive forward with a victory.
