

ABOVE When asked what she thought of the five houses sophomore Chelsey Dewitt expressed that she felt, "There was no real reason for them because none of her classes were in her house."

TOP RIGHT Junior William Reeves is studying for a quiz in his 3rd period. Will said, "I feel that I get to become closer to the people in my house because I get to interact with the other students who are in the same classes."

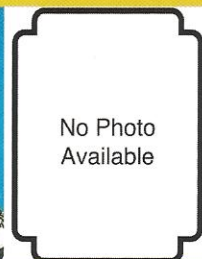

BOTTOM LEFT "I really like the color of our houses because yellow is 'my' favorite color," said junior Shawna Smith, while enjoying a laugh with her friend, junior Amber Reeves.
