Life after High School

A lot of people wonder what's going to happen to their lives after high school. Most people by the time they become a senior they knew what they wanted to do when they graduated. Some wanted to go into the military, go to college, or straight into the work force. There is nothing wrong with having a back up plan, just think where do you see yourself in ten years? Sometimes certain things are not for everyone, college isn't for everyone most people felt that they did not want to go right back to school after high school but whatever you decide to do always remember to have a plan and make sure it was something you were willing to do for the rest of your life.
