

What was your position on the field?

Amber Reeves is a junior who has been playing softball 'since she could crawl'. "Softball is my favorite sport, but don't let coach Nay hear that," Amber explained. Amber played third baseman and planned on playing softball in college at USE or Forman.

Kristina Pye is a junior who played short stop for as long as she can remember. "I've played softball since I was little and I've never stopped," she explained. Softball has always been a passion for Michelle and she plans on playing for the rest of her high school years.

Kimberly Broach, junior, is positioned on the field as second baseman. "Coach just put me there one day and I've stayed second-base ever since then," Kim said. Kimberly had been playing softball for a long while and found it to be a great stress reliever.

Top Left Number fifteen, senior, **Chelci Beach** is pitcher and first baseman for the CCHS varsity softball team because she liked the fact that she is able to handle the ball every time. "I feel that with playing a varsity sport the team is more into the game," explained Chelci. Softball is something that Beach has done her whole life .

Top Right Junior, **Shakerra Sanders** has been catcher and first basemen since she was little and has loved it ever since. "Softball is a great sport," said Sanders, "I make new memories every year." Shakerra hopes to continue playing softball through her high school years.

Left Senior, **Jakan Richardson** had been playing softball since preschool; she said that her family had encouraged her to play, but as she continued the season, she came to enjoy it. "I don't just love softball, I admirer it," explained Jakon. Richardson favorite part is defense because it allows her to show off her center field skills.
