

nimble- [nim-buhl]

-quick, light, or agile movement or action

Girls Varsity Basketball

We are the Cougars, the mighty Lady Cougars! Through their perseverance, and dedication within the games, the Lady Cougars managed to stay on top for another year. They were recognized as the 2012 Region Champions. This was a big achievement for the girls and a proud moment for the school. Even though every teammate had their own techniques and methods, they pulled their skills together to accomplish their goals. Their coach always pushed them to be the best that they could be. The girls used their many different talents to come together and work as a team.

Senior Lakenya Williams "I love being the jokey one on the team. If we had games where we were defeated, I still maintained my laughter and always spread my jokes amongst the team."

Senior Oshiana Davis "Basketball is apart of who I am. If I have any spare time, I will pick up Mr. Spalding and play a day." Oshiana quickened her pace to challenge her opponent.

Above Swish! Swish! Swish! Our Lady Cougars presented themselves as admirable players. Through their dynamic skills and motivation, the score board rang according to their winning shots. That was the sound of our players as they made the winning shot.
