JV Football

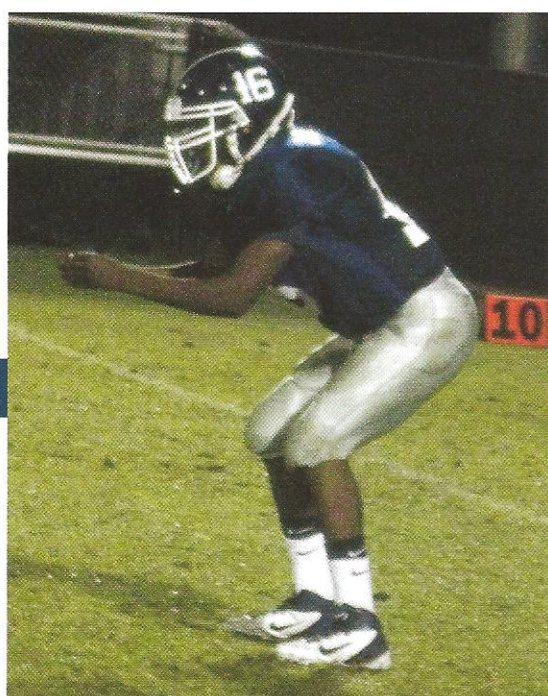

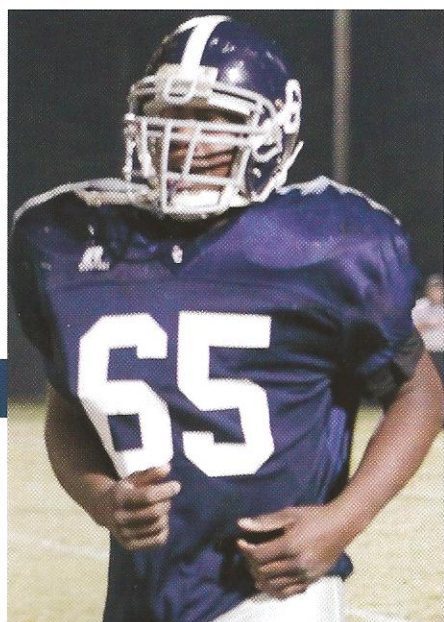

It was a Thursday night under the stadium lights. The crowd was in the stands, ready for a game. Here comes the mighty JV Cougars! The JV team had a very successful season finishing out with only three losses. Even though they had a few injuries, the season finished with a bang. Freshman Caleb Nichols says, "I joined the football team because I wanted to be apart of a big team. We're like brothers. I made a lot of new friends, and after our last game, I realized that football is what I love."

Top Left Freshman Terry Gadson made a big tackle. Terry said, "My best game was against Summerville. I made 19 tackles! I also made a block for Rakeem Jones." Terry's favorite play is a counter-play, also called a misdirection.

Bottom Left Junior Perry Hodges is blocking for the quarterback. Perry said, "I love the football games. We get to show off how hard we work." Perry loves the sound of the crowd cheering on the Cougars.

Top Right Sophomore Trey Saxon is getting ready to start a play. Trey said, "Football season is fun. I still had fun even though we weren't undefeated." Trey enjoys being able to play on a team with his friends.

Far Left Freshman Jacob Cox is coming off the field after a tough play. Jacob said, "I love to hear our fans cheer for us, and I love being able to start games." Jacob's favorite workout is the hard-hitting offensive practice.

Left Sophomore Tyler Williams, the quarterback is getting ready for the "hike." Tyler said, "I remember throwing a 48-yard touchdown pass to Traequan Shaw." Tyler's favorite play is a fade-route, or 58, even though it's very difficult to execute.
