

TOP 5

reasons for choosing TCTC

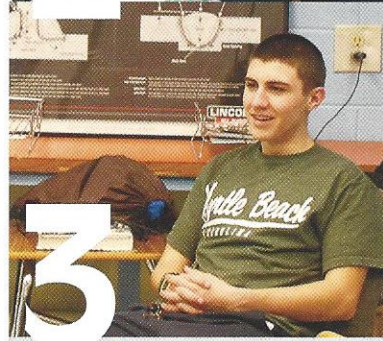

"I go to TCTC to learn how to do blueprints so I can be a robotic engineer."

-Junior DeMontay Fishburne

"My brother took it and now he can draw house plans, so I thought it would be cool to learn."

-Freshman Cassidy Lyons

"I like welding. I want to get a profession in welding. I also like connecting metal to other metal."

-Senior Trei Kellenberger

"I like to make go-carts. Sometimes we make stuff for other people."

-Senior Rakeem Jones

"I wanted to learn how to weld, and it is also very fun!"

-Senior Rodney Lyons
