Chorus is a popular program, as well as a class. It could teach you melody, how to read notes, sight singing, and even how to build props for the spring musical! The head director, Ms. Stephanie Drawdy, has been teaching chorus since 1985. She has not failed to disappoint in her many years of instructing the chorus program. Holiday spirit filled the air and charming instruments were plucked, played, and adored. High voices were heard and talent was applauded.

Sophomore Quintin Morris said, "'Carol of the Bells' was my favorite song because it is a tradition that they sing every year." The Christmas Concert was a great way to debut the talent of the artists that roam the halls. "I have always loved to sing, so being in chorus allowed me to keep my dream alive," senior Wayne Davis declared. At the beginning of the second semester, the anticipated spring musical was chosen; *Peter Pan*. Students broke out of their shells and were eager to show their true talent to get a chance on stage. Nerves, stress, and anxiety were quite often paired with the production, but so was success, adoration, and satisfaction! The choral department never ceased to wow the community with their harmonious voices and determination to bring joy to their audience.

1 While Ms. Drawdy plays the piano, a handful of CCHS Singers lead a song. The students worked hard to prepare for their spring musical, *Peter Pan*.

2 Before the Homecoming football game, the chorus students sing the National Anthem and the Alma Mater.
