

"Sometimes we may not reach our goals, but we've still helped reach the needs for others." -Senior Lindsey Williams

member confessions

WHY IS HOSA IMPORTANT TO YOU?

"HOSA is important to me because it's an organization where you can learn more about health occupations and compete against people from all across the state."

-Senior Ansley Hiers

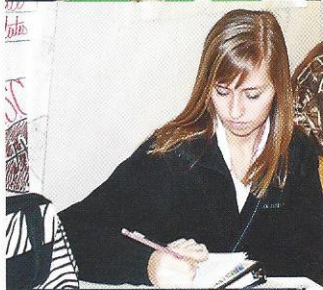

"Joining the health field has always been a dream of mine. Having the ability to help those in need of assistance brings great joy to me."

-Senior Roberto Lugo

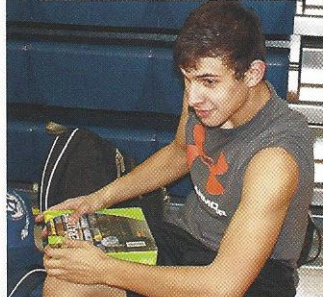

"HOSA is important to me because it gives me more options to help choose my occupation. We also raise money for all types of cancer and cystic fibrosis."

-Senior Chelsey Dewitt

"HOSA's important to me because I'm pursuing a career in the health field, and it is an organization that is made for students that are pursuing a health care profession and introduces leadership."

-Senior Joshua Campos

"HOSA is important to me because it is an organization that helps expand the horizons of health students, and HOSA is my medical foundation."

-Senior Tina Zhou

HOSA

HOSA is a national student organization endorsed by the U.S. Department of Education and the Health Science Education Division of ACTE. HOSA's two fold mission is to promote career opportunities in the health care industry and to enhance the delivery of quality health care to all people. The students involved in HOSA made it their goal to inform the community of important events and disasters. "HOSA gives me the chance to learn new things about the health field and get first hand experience working with people with similar goals as me," explained senior Shelby Craven. HOSA sponsored many events during the year, which included, but are not limited to, a Breast Cancer Awareness Fundraiser, Pink Out, March of Dimes, and Pennies for Patients. By being a part of the events, you could also further your drive for a career in both health and human services.
