

"There have been ups and downs this season, but it has all worked out for the best." -Junior Victoria Dalton

varsity cheerleading

The varsity cheerleaders have enjoyed perhaps their most prosperous season in quite some time. From celebrating a few well deserved football victories, to raising money for ovarian cancer for the second year in a row, the girls ruled this season. The cheerleaders worked hard at cheer camp over the summer and continued to do so throughout the fall and winter. The skills they learned allowed them to enjoy both successful football and basketball seasons. Perhaps the most important things they learned were the importance of working as a team and to always push yourself to be the best you can be. "It's been a great season, and we've all shown a lot of growth. Cheer season is always the highlight of my year, and if it weren't for such great girls, I wouldn't do it," said head coach, Ms. Hughes.

1 Junior Tristen Douglas cheers loudly for the varsity girls basketball team. Tristen feels that she and her teammates had all come a long way this past season and looked forward to bigger and better stunts in her next season.

2 Junior Zaria Gantt helps out in Ms. Hughes's classroom. Zaria learned a lot this season and gained many new skills as a flyer. Her cheerful personality always made games and practices more entertaining!
