

"The season was pretty good. We didn't have very many people on the team, but we made it through."
 -Sophomore Tiffany Jenkins #24

girls varsity basketball

The varsity Lady Cougars flew through the season this year. Some games were easy wins, others were a fight until the final buzzer. Leading the team in points was senior Deyja Brown, who scored a total of 489 points for the season. Followed closely behind Deyja was senior Alicia Williams, who scored 383 points. The Lady Cougars know their way around a basketball court and learned just how to put points on the board. They finished the season with an impressive record of 18-7. The 18th win of their season came during the first round of the playoffs. The team dribbled their way in to the second round of play offs. Though the scoreboard did not reflect a happy ending for the team, they continued to push through an awesome season. The anticipation of next year already riddles their minds as they plan to work hard during their summer workouts to prepare for seasons to come. Improving every year is a great motto to live by, especially for the triumphant ladies of the varsity basketball team.

Junior Alexis Robinson #11 drops back and plays defense hoping to stop the opposing team from scoring. Alexis said, "We pushed each other hard, and we stayed challenging the other teams. I felt like we could have gone to the championship if we would of pushed a little bit harder, but I think we did great!"

Junior Tia Chisolm #10 races to the basket to try and get another two points for the Lady Cougars. "We had an up and down season. Throughout the season it was tough to come together but we made it through," Tia added.
