*A National Top Performer
on Quality Measures*

Much like the method of a beating heart - the chambers, valves and signals continuously collaborating to achieve the extraordinary - the staff at Colleton Medical Center is made up of driven specialists that work across an array of disciplines, acquiring and exchanging knowledge to expand

your options for treatment. We view the opportunity to care for you and your loved ones as an honor and privilege. We take your healthcare needs very seriously and know that when you seek our help, we are treating neighbors, friends, and family. Our pledge to you is to provide the highest quality care in the most compassionate manner possible.
