The CCHS varsity football team enjoyed a phenomenal season this year with wins against teams such as South Aiken, James Island, and Beaufort. Head Coach Chris Collins stated that his favorite part about the season was when the team made it to the playoffs for the first time since 2007. He especially appreciated the amazing support from the student section. In addition to their love of the sport, the student athletes also enjoy helping out the community. Every year the varsity team visits Blackstreet Early Childhood Center to help with the annual Trunk or Treat. The athletes had a fun time handing out candy, taking pictures with students and giving plenty of hugs. This team seems to have grown from a group of boys that play together every Friday night into a family that works together to leave a positive impact.

The team breaks a huddle for an offensive play as quarterback Craig Grant gave the team the "okay" to run the play.
