

JV Cheerleading

Throughout the season, the junior varsity cheerleaders enjoyed a very successful and memorable season. After practicing almost every day throughout the school year, the girls were confident and prepared to wow their audience. The squad spent every Thursday night cheering hard on the sidelines for the JV Cougar football team. In addition, the girls went practically straight from school back to the gym to cheer on the boys and girls JV basketball players. Under new head coach, Mrs. LoDuca, the girls learned gained new experience in cheerleading to be applied in future years. Most of all, however, the squad grew to be a family by the end of the season and made a ton of memories that they won't soon forget!
